**Re: Notice of Ex Parte Presentation – WC Docket No. 08-23,
*Petition of the AT&T ILECs for a Declaratory Ruling***

On March 25, 2008, Gary Phillips, General Attorney and Associate General Counsel, AT&T, Terri Hoskins, General Attorney, AT&T and the undersigned met with Albert Lewis, Christi Shewman, Deena Shetler, Jeremy Miller, Randy Clark, William Dever, Lynne Engledow and Jay Atkinson (by phone) of the Wireline Competition Bureau. At that meeting, and consistent with AT&T's filings in this proceeding, AT&T explained that bill-and-keep and facility pricing arrangements are state-specific pricing terms and should be exempt from interstate porting under AT&T/BellSouth Merger Commitment 7.1. AT&T also provided an update on the status of the AT&T/Sprint Nextel state commission proceedings and information on the status of carrier requests under the Merger Commitments, including 7.1 and 7.4.

In accordance with Commission rules, this letter is being filed electronically with your office for inclusion in the public record.

Sincerely,

A handwritten signature in black ink, appearing to be "JM" followed by a long horizontal stroke.
